Missions Prayer Week

23 - 29 May · Sun - Sat

Missions Sundays in WEFC will be on 16 and 23 May, followed by a week of prayer for "Woodlands and the world". Let's gather to pray for our Woodlands community on Sun 23 May, and for each of our missionaries in the mission field over the rest of the week (Mon 24 May - Sat 29 May)!

As we connect via Zoom over the week, we'll hear the latest updates from Woodlands Social Centre and our missionaries on the field, and pray together.

A daily prayer guide will also be made available. To access that, and to get Zoom details, visit our [Prayer page on Church Center](#) or our [Events page](#) online.

Updates: Increased precautionary measures

In view of our nation's recent tightening of measures to curb the spread of Covid-19, we are also increasing our precautionary measures. [Click here to read the important updates.](#)

Gather With Us: Serve Together Calling for Joyful Stewards!

We thank God that over the past few months, despite current Covid realities, we have been able to gather at our onsite and online services, as well as run Children's Ministry. This is a privilege we don't take lightly!

Sustaining these weekly Sunday ministries, however, requires huge manpower. As such, we want to challenge more WEFCers to step up to serve. Would you steward your gifts and energies for His body to make every Sunday possible?

[Check out here](#) what areas you could serve in to support our Sunday ministries. Fill up the online form and someone will get in touch with you soon.
